

The Course

An intensive, 5-day residential experience, this Course is the only one of its kind, combining realistic trading sessions (electronic and voice) with informative lectures by industry experts on regulation, strategies, principles and industry best practice in FX and broader OTC trading environments.

This unique course provides real insight into the interaction between traders, sales, brokers, customers, middle and back office, risk, legal and compliance teams at all stages of the transaction lifecycle.

Course is run in accordance with the FX Global Code and other applicable industry Codes of Conduct that encourage best practice, integrity and professionalism in OTC markets.

Course accredited in the UK for 40 CPD hours.

Developed in association with ACI Australia, the Dealing Simulation Course has run for more than 20 years in multiple locations around the world including Australia, Bahrain, Denmark, Hungary, Kuwait, Kenya, Malaysia, New Zealand, Sri Lanka, South Africa, UK and USA.

DSC global sponsors

Information

Course runs annually in the UK, at a residential location close to Central London.

Course fee covers:

- 5 day intensive Training Programme – including all course materials, trading simulation facility, presentations and lectures. (Note: Delegates have only one free evening during the course).

ACI UK DEALING SIMULATION COURSE

The fastest, most interactive way to understand trading dynamics and relationships in FX & OTC markets

In association with ACI Australia

“Fastest, most interactive way to understand FX and OTC trading environments”

Lectures on industry initiatives, challenges regulation, strategies and behaviours combined with intense, simulated dealing environment to provide an end to end understanding of all aspects of the trading environment..

What will you gain from this Course?

By the end of the Course, you will gain a thorough understanding of:

- Trading in FX & OTC markets including Prime Brokerage, Futures and FX Options
- Role of dealers, sales, brokers and Central Banks
- Methods and psychologies of trading
- Up to date regulation and compliance obligations
- Risk management techniques
- Technical analysis

Delegates must pass a formal exam on the final day of the course in order to receive the ACI UK DSC Certificate (of attainment). Delegates (and line managers) receive a tailored report highlighting strengths and successes and providing invaluable insight into delegates' trading 'style' (particularly, how you work within a team in a pressured and challenging environment).

Who should join this Course?

- New market entrants, junior traders and sales staff
- Middle and back office staff
- Operations, legal and compliance personnel
- Asset Management and Corporate Treasury personnel

Unique learning experience

Guided by market practitioners, undertake the roles of Chief Dealer, Trader and Broker in intensive, hands-on trading sessions in a rigorous, simulated dealing environment.

With your team, manage your trading book (P&L) for the duration of the Course.*

Learn trading and pricing strategies and test them with 'counterparties' representing banks, hedge funds, corporates, asset managers and Central Banks, reacting to news and economic headlines generated in 'real' time.

Work with your team in a highly competitive and exciting environment.

*Individual and team prizes presented at the awards dinner held at the end of the course.

Everything you learn tested in 'live' trading sessions

Certificates and individual/team prizes awarded at end of course

What do delegates say about this Course?

“Most interesting and exciting course I've ever participated in - thank you!”

“Everyone running the Course was superb and without them this wouldn't be as excellent as it is. I wish I could do it all over again.”

“Brilliant course; would recommend it to anyone.”

“I feel I have learned a lot here - shout out to the panel: passionate, experts and all very likeable! Truly impressed - give yourselves a round of applause!”

“I really, really recommend this Course to everyone working in the FX space... I was amazed at the speed at which I learned.”

“The course is fantastic...it is a great way to teach newcomers to the markets in an intense environment.”

“Very informative...covered every aspect of trading.”
